Corporate Presentation (FY2024-25)

SAFE HARBOUR

This presentation has been prepared by Lehar Footwears Limited (the "Company") for general information purposes only, without regard to any specific objectives, suitability, financial situations and needs of any particular person and does not constitute any recommendation or form part of any offer or invitation, directly or indirectly, in any manner, or inducement to sell or issue, or any solicitation of any offer to purchase or subscribe for, any securities of the Company, nor shall it or any part of it or the fact of its distribution form the basis of, or be relied on in connection with, any contract or commitment therefore. This presentation does not solicit any action based on the material contained herein. Nothing in this presentation is intended by the Company to be construed as legal, accounting or tax advice.

This presentation has been prepared by the Company based upon information available in the public domain. This presentation has not been approved and will not or may not be reviewed or approved by any statutory or regulatory authority in India or by any Stock Exchange in India. This presentation may include statements which may constitute forward-looking statements. The actual results could differ materially from those projected in any such forward-looking statements because of various factors. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events, or otherwise.

This presentation contains certain forward-looking statements relating to the business, financial performance, strategy and results of the Company and/ or the industry in which it operates. Forward-looking statements are statements concerning future circumstances and results, and any other statements that are not historical facts, sometimes identified by the words including, without limitation "believes", "expects", "predicts", "intends", "projects", "plans", "estimates", "aims", "foresees", "anticipates", "targets", and similar expressions. The forward-looking statements, including those cited from third party sources, contained in this presentation are based on numerous assumptions and are uncertain and subject to risks. A multitude of factors including, but not limited to, changes in demand, competition and technology, can cause actual events, performance or results to differ significantly from any anticipated development. Neither the Company nor its affiliates or advisors or representatives nor any of its or their parent or subsidiary undertakings or any such person's officers or employees guarantees that the assumptions underlying such forward-looking statements are free from errors nor does either accept any responsibility for the future accuracy of the forward-looking statements contained in this presentation or the actual occurrence of the forecasted developments. Forward-looking statements speak only as of the date of this presentation and are not guarantees of future performance. As a result, the Company expressly disclaims any obligation or undertaking to release any update or revisions to any forward-looking statements in this presentation as a result of any change in expectations or any change in events, conditions, assumptions or circumstances on which these forward looking statements are based. Given these uncertainties and other factors, viewers of this presentation are cautioned not to place undue reliance on these forward-looking statements.

The information contained in these materials has not been independently verified. None of the Company, its directors, promoters or affiliates, nor any of its or their respective employees, advisers or representatives or any other person accepts any responsibility or liability whatsoever, whether arising in tort, contract or otherwise, for any errors, omissions or inaccuracies in such information or opinions or for any loss, cost or damage suffered or incurred howsoever arising, directly or indirectly, from any use of this presentation or its contents or otherwise in connection with this presentation, and makes no representation or warranty, express or implied, for the contents of this presentation including its accuracy, fairness, completeness or verification or for any other statement made or purported to be made by any of them, or on behalf of them, and nothing in this presentation or at this presentation shall be relied upon as a promise or representation in this respect, whether as to the past or the future. Past performance is not a guide for future performance. The information contained in this presentation is current, and if not stated otherwise, made as of the date of this presentation. The Company undertakes no obligation to update or revise any information in this presentation as a result of new information, future events or otherwise. Any person/ party intending to provide finance/ invest in the shares/ businesses of the Company shall do so after seeking their own professional advice and after carrying out their own due diligence procedure to ensure that they are making an informed decision.

This presentation is strictly confidential and may not be copied or disseminated, in whole or in part, and in any manner or for any purpose. No person is authorized to give any information or to make any representation not contained in or inconsistent with this presentation and if given or made, such information or representation must not be relied upon as having been authorized by any person. COMPANY OVERVIEW

Years of Excellence

Incorporated in 1994 by Agarwal Family, Lehar Footwears Ltd is a leading non-leather mass-footwear manufacturer.

Specialized in open and athleisure footwear with styles ranging from casual to formal, daily wear to sportswear for the entire family.

Launched wide variety of Single mould EVA footwear and Sports Shoes in our portfolio

BIS compliant products manufactured across 4 plants at Jaipur and 1 newly commenced facility in Kundli.

Continuously diversifying product portfolio in order to cater to evolving demands of customers.

Supplying toolkits under the PM Vishwakarma Scheme

JOURNEY SO FAR

FOOTWEAR BUSINESS

- **Manufacturer of non-leather footwear, EVA/PVC/PU injected footwear**

- **Launched new offerings such as Single Mould EVA footwear - Crozi and Sports Shoes under own brand named 'RANNR'**

- **Open-footwears (slippers/sandals), School Shoes, Hawaii Chappal, Canvas Shoes and Sport Shoes**

- **520+ distributors across India, Presence in 27 states across India and Exports to 20+ countries under its own brand**

- **~1,300 active SKUs, across men wear, women wear and kids wear**

- **D2C channels: 2 retail stores (factory outlets) at Jaipur, Large Format Stores like D-Mart, Reliance Retail and Online ecommerce websites of Flipkart, Bijnis among others.**

NEW PRODUCT LAUNCHES

ATHLEISURE

- ✓ Lehar has successfully commissioned a new dedicated Sports shoes manufacturing facility at Kundli, Haryana, marking its entry into a high growth and high value closed footwear segment
- ✓ Launched own brand 'RANNR', driven by our core vision to deliver high-quality, durable, and trendy footwear at mass-mid segment prices.
- ✓ This marks a significant step in expanding our portfolio and strengthening market positioning. Company also plans to do OEM supply in addition to own brand distribution under this category

EVA FOOTWEAR

- ✓ Lehar has installed fully automatic injection moulding machinery for EVA footwear and Rotary Type PU Injection Machine for PU footwear
- ✓ This has enabled the brand to deliver a trend-leading premium product portfolio that caters to evolving market demands
- ✓ Wide variety of new product designs introduced to our SKUs under Crozi, Hilux, Bliss and Fliplop product lines.

TOOLKIT BUSINESS

■ In FY2024-25, we embarked on a new business avenue - supply of tool kits under government welfare schemes. This marks a significant milestone forward in our commitment to growing with purpose.

■ Initially, the order valued at ₹ 298 crores, was received of which ₹ 193 has already been delivered.

■ Asset light business model with high return on capital of over ~50%

■ Our agreement with National Small Industries Corporation (NSIC) through the PM Vishwakarma Scheme represents a big leap towards diversifying our revenue streams.

■ Received additional order for ₹ 74.9 crores for supply of 50,000 toolkits

■ As a key vendor under the PM Vishwakarma Scheme, we gain an early mover advantage, enhancing credibility while fuelling our long-term prospects and competitive edge.
